Piano Studio Policy @ Heritage Oak Private School
School year 2026-2027

Piano Scheduling Policy

Individual Piano times will be determined at the start of the school year, with approval from both class and PE teachers. Lessons will be scheduled during non-academic times, such as partial PE sessions, lunch or snack breaks, early mornings, or at the end of the school day. If a lesson is scheduled during a meal time, food will be allowed.

After-school lessons will be prioritized for upper-grade students. Younger students will ideally be scheduled for lessons earlier in the day to ensure they get the most focus and benefit from each session.

A ***Piano Calendar***, with detailed dates of lessons and events, will be emailed to all families at the start of the school year. The piano year begins on the 2nd week of school through the end of May 2027, a total of 35 lessons including two recitals and two at school rehearsals.

Learning Materials & Homework Assignments

All learning materials, including binders, will be provided to each student at the first week of lessons and will continue progressively throughout the school year.

Weekly homework assignments will be assigned to every student and must be fully completed and submitted on time. Daily piano practice is a crucial part of the student's routine and should become a consistent responsibility at home. All piano books and supplies should be brought to school each week. Leaving books at home can delay progress in learning new concepts and advancing in piano lessons. An acoustic or digital piano is required at home for daily practice.

Make-Up Lessons

In the case of an emergency or illness, missed lessons can be made up if the teacher is notified before the scheduled lesson time. If a student misses a lesson due to a family vacation or personal business, that lesson cannot be rescheduled.

Piano Payments and Refunds

Quarterly payments must be made in full and ON TIME. Venmo or Zelle are preferred payment methods. Quarterly Payment Policy: Once the quarter has started, no refunds will be issued for quarterly payments. If a student is unable to continue lessons, they may drop out at the end of the quarter with no further financial obligations.

Piano Events and Programs

At the start of the school year, a detailed listing of all upcoming piano events and important dates will be emailed to every enrolled piano student. Active participation in these events is highly encouraged as it provides valuable performance opportunities and fosters a strong sense of community.

1. Christmas Recital
A festive celebration of students' progress and achievements, where they perform holiday pieces and share their primary musical talents with family and friends.
2. End-of-Year Recital

3. Certificate of Merit Exams

Additional Programs and Events:

- Baroque Festival, Theme Festival, National Guild Piano Auditions,
- Student Workshops: Smaller, informal recitals where students can perform among other piano students and practice performance skills.

- All participation is extremely beneficial to the student yet remains optional!
