FIRST DAY OF CAMP

JUNE 15TH

ADVENTURE STEM LAB

The Adventure STEM Lab at camp is the perfect place for young minds to explore the exciting worlds of Science, Technology, Engineering, and Math! Campers will engage in a variety of fun, educational activities designed to encourage exploration and innovation.

EXPLORER'S CANVAS

During the Explorer's Canvas block, campers will embark on an artistic adventure inspired by the world around them and their own imaginations. It's the perfect place for campers to discover their creative inner artist while making lasting memories and masterpieces!

THE SPLASH ZONE

Get ready to dive into the ultimate water adventure in the Splash Zone! Campers will safely cool off and have a blast with a variety of water activities that include our on-campus splash pad, pool, and water slide.

GAMERS EXPEDITION

Campers will dive into a world of games in Gamers Expedition through our on-campus arcade. From classic arcade favorites to high-energy games, campers will have the chance to battle it out in air hockey, race to the top of the leaderboard, or practice strategy in team games.

ADVENTURE TIME

Get ready for ultimate excitement during Adventure Time, where every day brings a new, exciting activity! Campers will experience thrilling events like dunk tank day, human foosball games, a journey through the stars in the planetarium, and so much more!

CHARACTER QUEST

During the Character Quest block, campers will embark on a journey of personal growth and teamwork, where they'll explore essential character traits and develop collaboration skills through fun and engaging activities that emphasize leadership, communication, empathy, and problem solving.

Preschool Program

Preschool and Pre-K

Adventure Camp offers the ultimate preschool experience every day! Your child will dive into exciting exploration centers and hands-on activities that cover language, writing, math, art, science, and technology. It's a perfect mix of fun and learning! To cap off each week, all campers enjoy Friday Water Play at our on-campus splash pad—a fun-filled way to celebrate the week and cool off in style!

For a more focused learning experience, our older preschool and pre-k students may join the H.O.P.E. Academy. This program offers engaging classes Monday through Thursday, where children will dive deeper into a specific subject. Each three-hour class gives children the chance to explore their interests and expand their knowledge in a fun and interactive way.

Our programs are designed for children ages 2.5 to 4 years old, and all campers must be fully potty trained to join the fun.
